## INDEPENDENT AUDITORS' REPORT

Board of Managers  
The Philadelphia Foundation  
Philadelphia, Pennsylvania

### Report on the Consolidated Financial Statements

#### *Opinion*

We have audited the accompanying consolidated financial statements of The Philadelphia Foundation (a nonprofit corporation), which comprise the consolidated statements of financial position as of December 31, 2024 and 2023, the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of The Philadelphia Foundation as of December 31, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of The Philadelphia Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### *Responsibilities of Management for the Consolidated Financial Statements*

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Philadelphia Foundation's ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

***Auditors' Responsibility for the Audit of the Consolidated Financial Statements***

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Philadelphia Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Philadelphia Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Report on Supplementary Information***

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The supplementary information on pages 28 through 32 is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

**THE PHILADELPHIA FOUNDATION  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Organization and Principles of Consolidation**

The Philadelphia Foundation (TPF) is a community foundation established in 1918 primarily to serve the Greater Philadelphia region. The Philadelphia Foundation, Inc. (TPF, Inc.), a nonprofit corporation formed in 1992, acts as trustee for a portion of TPF's assets. The members of the board of managers of TPF also serve as the board of directors of TPF, Inc. (board of managers). TPF and TPF, Inc. receive contributions, manage endowment and nonendowment funds, lead programs, and make grants to meet community needs.

TPF and TPF, Inc. are comprised of approximately 1,000 individual funds, which are classified into six different categories according to donor intent. These include funds with donor-imposed restrictions as to use: designated, donor advised, scholarship and administrative endowment; and funds with no or lesser restrictions: field of interest and undesignated. The board of managers is responsible for approval of all grants.

TPF Properties LLC was formed on October 10, 2017, with TPF, Inc. as the sole member. TPF Properties LLC owns and manages donated real estate properties. TPF Properties LLC was organized exclusively for charitable purposes in accordance with Section 501(c)(3) of the Internal Revenue Code (IRC). Accordingly, all TPF Properties LLC activity is reported under TPF, Inc.

The Lenfest Institute for Journalism Special Asset Fund of the Philadelphia Foundation (LISAF), formerly known as TPF Special Assets Fund, a nonprofit corporation, was incorporated as a Type I supporting organization to TPF on December 17, 2002, to receive, manage, and distribute assets, primarily real estate, in support of TPF.

The Lenfest Institute for Journalism, LLC (the Institute), formerly known as The Institute for Journalism in New Media, LLC, was formed on December 17, 2015, with LISAF as the sole member. The Institute was organized solely and exclusively for educational and other tax-exempt purposes of LISAF in accordance with Section 501(c)(3) of the IRC. Accordingly, all Institute activity is reported under LISAF.

The Harry R. Halloran, Jr. Charitable Trust (Halloran Trust) was formed as a Type I supporting organization to TPF on June 3, 2013, to make grants for charitable purposes that support the mission of TPF.

Delaware Charitable Assets, Inc. (DCA), a nonprofit corporation, was incorporated as a Type I supporting organization to TPF on October 26, 2015, to make grants for charitable purposes that support the mission of TPF. On December 22, 2023 DCA was changed to The Visions Fund at the Philadelphia Foundation (VFPF). The Visions Fund at The Philadelphia Foundation was funded by a grant from the Harry R. Halloran Jr. Charitable Trust in order to make impact investments that support the mission of TPF.

The Dr. Rudolph Masciantonio Foundation for Classical Studies (Masciantonio Foundation), a charitable trust controlled by TPF, was established on December 1, 2017, as a Type I supporting organization to TPF, to promote classical studies. On June 5, 2023, Masciantonio Foundation was dissolved, and all assets were transferred to a designated TPF Fund.

DECEMBER 31, 2024 AND 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Organization and Principles of Consolidation (Continued)**

The Philadelphia Foundation Special Property Fund (TPFSPF) was formed as a Type I supporting organization to TPF on February 24, 2020, to receive, manage, and distribute assets, primarily real estate and other special assets, in support of TPF.

Regional Foundation LLC (RFLLC) was formed on January 5, 2021, with TPF, Inc. as the sole member. RFLLC first received assets in January 2021 of \$110 million. RFLLC was organized exclusively for charitable purposes in accordance with Section 501(c)(3) of the Internal Revenue Code (IRC). Accordingly, all RFLLC activity is reported under TPF, Inc.

The accompanying consolidated financial statements include the accounts of TPF, TPF, Inc., LISAF, Halloran Trust, VFPF, Masciantonio Foundation, TPFSPF, and RFLLC and are collectively referred to as the Foundation. All inter-company accounts have been eliminated.

**Use of Estimates**

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Tax-Exempt Status**

TPF, TPF, Inc., LISAF, Halloran Trust, VFPF, TPFSPF, and RFLLC (the Foundation) are exempt from federal income taxes under Section 501(c)(3) of the IRC. TPF is treated as a publicly supported, tax-exempt community foundation as defined in Sections 509(a)(1) and 170(b)(1)(A)(vi) of the IRC. In addition, the IRS has determined that TPF, Inc. is a component part of TPF and is exempt as such. LISAF, the Halloran Trust, VFPF, TPFSPF, and RFLLC are recognized as tax-exempt supporting organizations under Section 509(a)(3) of the IRC. Certain unrelated business income is subject to federal income taxes. The Foundation follows the income tax standard for uncertain tax positions. The application of this standard has no impact on the Foundation's consolidated financial statements.

The Institute is a single-member LLC with LISAF as the sole member. The Institute is a disregarded entity for tax purposes, and all activity will be reported under LISAF.

The Foundation engages in investments that produce unrelated business income. The associated unrelated business income tax is generated primarily from earnings on leveraged investments (primarily hedge funds) as well as ownership of private company stock. As of December 31, 2024 and 2023, the Foundation had prepaid taxes of \$79,000 and \$1,139,000, respectively, which is included in Prepaid Expenses and Other Assets in the accompanying consolidated statements of financial position. As of December 31, 2024 and 2023, the Foundation had accrued tax liability of \$500,000 and \$0, respectively, which is included in Accounts Payable and Accrued Liabilities in the accompanying consolidated statements of financial position.

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Cash and Cash Equivalents**

Cash equivalents include liquid investments with initial maturities of three months or less. Such investments consist of short-term notes and are recorded at cost which approximates fair value. For purposes of the consolidated statements of cash flows, cash and cash equivalents do not include cash and cash equivalents included within endowment investments.

**Loans Receivable (Program Related Investments)**

Loan funds provide programmatic support and/or capital to nonprofit organizations and commercial businesses for select ventures that are designated to promote community and economic development for low and moderate income areas in Delaware, New Jersey, and Eastern Pennsylvania.

Loans receivable are carried at an amount equal to the assets transferred if the loans are at the market interest rate applicable to the borrower. If the contractual interest rate is lower than the market rate, the difference between the cash transferred to the borrower and the present value of the contractual payments for the loan at the effective interest rate is recognized as expense. Whether a valuation allowance is necessary due to impairment is determined on various factors, including the debtor's payment performance and other pertinent factors related to the debtor's operations and ability to repay its debts.

**Investments**

Investments in equities and fixed income securities are carried at fair value based on quoted market prices. Cash and cash equivalents and temporary investments are carried at cost which approximates fair value. If quoted market prices are not available, fair values of certain investments are based on quoted market prices of comparable instruments. Life insurance contracts are valued at cash surrender value. The Foundation is the beneficiary of one life insurance policy.

In addition, the Foundation invests in alternative investments whose values are not readily available through an outside source. Alternative investments consist of limited partnerships, mutual funds and fund of funds and are recorded at approximate fair value as determined and approved by the managers or valuation committees of the alternative investments based upon judgments, which include, among other factors, restrictions affecting marketability, operating results, financial condition of the issuers and the price of the most recent financing transactions. These alternative investments are included among equities, fixed income securities and other. The role of alternative investments is to increase portfolio diversification through sources of return that are not generally correlated with traditional equity and fixed income markets. In addition, alternative investments can provide relatively consistent returns and principal protection in volatile market environments, thereby reducing overall return volatility of the portfolio. The underlying managers in fund of funds vehicles may engage in the use of derivatives (options/futures/forwards) as part of their investment strategy. Alternative investments are generally less liquid than their traditional equity counterparts, and the Foundation's fund of funds alternative managers may have entry/exit terms and capital lockup periods that range from one month to three years.

**THE PHILADELPHIA FOUNDATION  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Investments (Continued)**

The Foundation has private company stock that has no readily available market value and is stated at cost (appraised value at the date of gift) and included in other nonendowment and endowment investments. Additionally, a partial interest in real estate is held in trust for the Foundation. This real estate has no readily available market value and is stated at cost (appraised value at date of gift) and included in other endowment investments. The aggregate carrying amount of the cost basis investments was \$33,050,675 at December 31, 2024 and 2023. This is comprised of Halloran stock of \$18,554,560, Lenfest Institute PMN Stock of \$13,858,614, and real estate of \$637,501 for December 31, 2024 and 2023.

The net changes in fair value and the realized gains and losses on investments sold are reflected in the consolidated statements of activities as net unrealized and realized investment gains or losses. Investment transactions are recorded on the trade date.

Cash and cash equivalents in endowment investments consist of contributions received and temporarily invested and accumulation of cash through planned liquidation of equity and fixed income positions to meet distribution requirements in January of each year.

In general, investments are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect the investment balances and the amounts reported in the consolidated statements of financial position.

**Split-Interest Agreements**

Split interest and other planned giving arrangements are agreements in which the Foundation serves as trustee or otherwise controls the assets. Assets are invested and distributions are made in accordance with the respective agreements. They are recorded at fair value of the related investments based on quoted market prices. The Foundation has an interest in one irrevocable perpetual trust which is recorded at the fair value based on the Foundation's interest in the underlying assets.

**Liabilities Under Split-Interest Agreements**

Liabilities under split-interest agreements reflect discounted cash flows owed to the income beneficiaries based on their life expectancy.

**Property and Equipment**

Property and equipment are carried at cost. Depreciation is calculated primarily using the straight-line method over the following estimated useful lives:

Furniture	7 Years
Computer Equipment	5 Years

Depreciation for leasehold improvements is calculated over the life of the lease.

**THE PHILADELPHIA FOUNDATION  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Liabilities Under Agency Accounts**

Liabilities under agency accounts represent funds transferred to the Foundation by charitable organizations and held by the Foundation in separate funds for the benefit of such charities. The related assets are reflected as both nonendowed and endowed investments.

**Contributions**

Contribution revenue is recorded when a contribution (including verifiable unconditional promises to give) is received. Bequests are recorded as contribution revenue when the respective will has been declared valid. Other contributions are recorded as revenue when the conditions limiting the transfer of assets have been satisfied, typically when the promise becomes irrevocable. Donated securities and other property are recorded at fair value on the date of donation.

Contributions receivable that are not expected to be collected within one year are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using appropriate interest rates applicable to the years in which the promises are received. The rate used for contributions varies from .6% to 6.3%. The Foundation provides for uncollectible contributions receivable using the allowance method, which is based on management's judgment concerning historical collectability and analysis of individual contributions receivable. Past due receivables are individually analyzed for collectability and written off when all efforts at collection have been exhausted. As of December 31, 2024 and 2023, the allowance for uncollectible contributions was zero.

**Classification of Net Assets**

The Foundation reports information regarding its financial position and activities according to two classes of net assets as follows:

*Net Assets Without Donor Restrictions* – are not subject to donor-imposed stipulations or, if subject to such stipulations, are also subject to the variance power described below.

*Net Assets With Donor Restrictions* – are subject to donor-imposed stipulations that will be met either by actions of the Foundation or the passage of time. These types of net assets include contributions receivable, life insurance policies, real estate, the Foundation's interest in charitable remainder trusts, the pooled income fund, and grants to be spent over a specific time period. Net assets with donor restrictions are also comprised of net assets subject to donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by the Foundation. These types of net assets must be maintained in perpetuity by the Foundation.

As explained below, most contributions with donor-imposed restrictions are classified as net assets without donor restrictions.

**THE PHILADELPHIA FOUNDATION  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Classification of Net Assets (Continued)**

Substantially all contributions to component funds of TPF and TPF, Inc., including those with donor-imposed restrictions, are subject to the unilateral variance power established by the respective governing documents. The variance power gives the board of managers the ability to modify donor restrictions that are incapable of fulfillment.

In addition, absent contrary directions given in the transferring instrument regarding the use of principal, the TPF and TPF Inc.'s governing documents further provide all or part of the principal of any fund may be used subject to certain conditions, including approval of the board of managers and trustee holding each fund. Therefore, such contributions are reported as net assets without donor restrictions. However, this classification does not imply that such funds are available for claims of general creditors of the Foundation.

Restricted contributions are reported as increases in net assets without donor restrictions if the restrictions expire within the fiscal year in which the contributions are received. When a restriction expires, net assets with donor restrictions are transferred to net assets without donor restrictions. Generally, earnings and gains (losses) on restricted contributions are also considered to be with donor restrictions.

When a contribution is received from a nonprofit organization for the purpose of establishing an endowment fund for the benefit of that organization, it is not considered to be a contribution for financial statement purposes. Such amounts are reflected in the consolidated statements of financial position as liabilities under agency accounts.

**Advertising**

The Foundation charges the cost of advertising to expense when incurred. Advertising expense was \$57,813 and \$99,120 for the years ended December 31, 2024 and 2023, respectively.

**Uniform Prudent Management of Institutional Funds Act**

The Uniform Prudent Management of Institutional Funds Act (UPMIFA) provides guidance on the classification of endowment fund net assets for states that have enacted versions of the UPMIFA, and enhances disclosures for endowment funds. Because UPMIFA has not become law in the Commonwealth of Pennsylvania, possible reclassifications of net assets are not required to be made. Disclosure of prevailing law in the Commonwealth of Pennsylvania has been included in Note 5.

**Fair Value Measurement**

The Financial Accounting Standards Board (FASB) standards provide the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, and defines fair value as the price that would be received to sell an asset or paid to transfer a liability (i.e. the exit price) in an orderly transaction between market participants.

**THE PHILADELPHIA FOUNDATION  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Fair Value Measurement (Continued)**

In determining fair value, the Foundation uses various valuation approaches, including market, income, and/or cost approaches. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The valuation levels are not necessarily an indication of the risk or liquidity associated with the underlying assets and liabilities. The three levels of the fair value hierarchy are described below:

*Level 1* – Quoted prices for identical assets or liabilities in active markets.

*Level 2* – Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active; and model-derived valuations whose inputs are observable or whose significant value drivers are observable.

*Level 3* – Significant inputs to the valuation model are unobservable.

**Fair Value of Financial Instruments**

The fair value of cash and cash equivalents, grants payable, liabilities under split-interest agreements, and liabilities under agency accounts approximate their respective carrying amounts.

The fair value of contributions receivable is estimated by discounting the future cash flows using risk adjusted interest rates applicable to the years in which the promises are received.

The Foundation's endowment and nonendowment investments and split-interest agreements recorded at fair value on a recurring basis are included in Note 6. Determination of the fair value of private company stock and the Foundation's partial interest in real estate could not be made without incurring excessive cost. These investments are valued at cost (appraised value at the date of gift).

**Leases**

The Foundation determines if an arrangement is a lease at inception. Operating leases are included as right-of-use (ROU) assets – operating within property and equipment and lease liability – on the consolidated statements of financial position.

**THE PHILADELPHIA FOUNDATION  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Leases (Continued)**

ROU assets represent the Foundation's right to use an underlying asset for the lease term and lease liabilities represent the Foundation's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the Foundation will exercise that option. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term. The Foundation has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or right of use assets on the consolidated statement of financial position.

The individual lease contracts do not provide information about the discount rate implicit in the lease. Therefore, the Foundation has elected to use a risk-free discount rate determined using a period comparable with that of the lease term for computing the present value of all lease liabilities.

**Reclassifications**

Certain reclassifications have been made to the 2023 amounts to conform to the 2024 amounts.

**Subsequent Events**

In preparing these consolidated financial statements, the Foundation has evaluated events and transactions for potential recognition or disclosure through June 24, 2025, the date the consolidated financial statements were available to be issued.

**NOTE 2 CONCENTRATION OF CREDIT RISK**

Cash and cash equivalents potentially subject the Foundation to a concentration of credit risk. The balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to certain limits. At times, cash in bank deposit accounts and certificates of deposit may exceed FDIC insurable limits.

**NOTE 3 CONTRIBUTIONS RECEIVABLE**

Contributions receivable include unconditional promises to give at December 31:

	2024	2023
Receivable in Less Than One Year	\$ 12,391,889	\$ 8,636,406
Receivable in One to Five Years	15,762,750	11,350,250
Thereafter	5,000,000	7,000,000

**THE PHILADELPHIA FOUNDATION  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 3 CONTRIBUTIONS RECEIVABLE (CONTINUED)**

As of December 31, 2024 and 2023, contributions receivable included approximately \$5,810,000 and \$6,809,000 (\$8,000,000 and \$9,000,000 undiscounted) from the Philadelphia Eagles, respectively, due under the terms of a sublease and development agreement between the Eagles and the Philadelphia Authority for Industrial Development (PAID). Under this agreement, the Eagles are to make an annual payment of \$1,000,000 to the Foundation's Fund for Children through 2032.

As of December 31, 2024 and 2023, contributions receivable included approximately \$6,304,000 and \$7,304,000 (\$9,000,000 and \$10,000,000 undiscounted) from the Philadelphia Phillies, respectively, due under the terms of a sublease and development agreement between the Phillies and PAID. Under this agreement, the Phillies are to make an annual payment of \$1,000,000 to the Foundation's Fund for Children through 2033.

As of December 31, 2024 and 2023, contributions receivable included approximately \$14,879,000 and \$6,838,000 (\$15,432,000 and \$6,947,000 undiscounted) of pledges to fund the Institute.

**NOTE 4 OTHER ENDOWMENT INVESTMENTS**

Other endowment investments consist of the following at December 31:

	<b>2024</b>	<b>2023</b>
Hedge Funds	\$ 31,833,664	\$ 23,293,584
Private Equity Funds	15,749,184	12,835,146
Real Asset Funds	4,545,079	10,371,089
Real Property	5,617,487	8,440,592
Private Company Stock	13,858,614	13,858,614
<b>Total</b>	<b>\$ 71,604,028</b>	<b>\$ 68,799,025</b>

Hedge funds invest primarily in long/short equity strategies and event driven equity and debt arbitrage strategies, corporate actions, and special situations.

The Foundation had uncalled commitments of approximately \$15.9 million and \$6.6 million at December 31, 2024 and 2023, respectively. Such commitments are generally called over a number of years and contain fixed expiration dates or other termination clauses.

**NOTE 5 ENDOWMENT ACTIVITY**

An endowment is an established fund of cash, securities, or other assets to provide income for the maintenance of the Foundation. The use of the assets of the fund may be with or without donor restrictions. Endowment funds are generally established by donor-restricted gifts or bequests to provide a permanent source of income, or a term endowment, which is to provide income for a specific period. A board-designated endowment, which results from an internal designation, is not donor restricted and is classified as net assets without donor restrictions.

**THE PHILADELPHIA FOUNDATION  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 5 ENDOWMENT ACTIVITY (CONTINUED)**

The mission of the Foundation's investment funds is to support current operations through a total return investment strategy and a spending policy set to maintain, and ideally increase, the purchasing power of the endowment, without putting the principal value of these funds at imprudent risk.

The general policy is to diversify investments to provide a balance that will enhance total return while avoiding undue risk concentration in any single asset class or investment category. The investment goals for all investment funds of the Foundation, including both trust and corporate assets, are to: (1) meet payout requirements of endowment funds, (2) provide sufficient liquidity to meet distribution requirements, (3) earn a total return of 5% in excess of inflation as measured by the Consumer Price Index over a five-year time horizon, and (4) earn competitive returns relative to capital market measures. Investment goals and performance are to be computed net of investment management and independent investment consultant fees. The Foundation is guided in its total return policy by Commonwealth of Pennsylvania Act 141, which dictates the amount of allowable distributions to be made from a restricted endowment.

For the years ended December 31, 2024 and 2023, TPF and TPF, Inc. endowment distributions (cash payout) were 5% of the average market value, using a 20-quarter trailing average. The payout rate is established by the board of managers annually, for the following year. The cash payout includes cash required for grant making and for administrative costs.

Distributions of the Institute's endowment are made in accordance with the gift agreements. On an annual basis, up to 6% of the fair market value of the endowment fund may be spent based on a moving average of the fair market value of the endowment fund as determined by the board of managers of the Institute. The board of managers may from time to time adjust the 6% maximum annual draw on the endowment fund for extraordinary circumstances as determined by two-thirds vote of its board of managers, but in no event shall the annual draw exceed 10%. For the year ended December 31, 2024 and 2023, the distribution was 5% of the 12-quarter average market value of the endowment.

Endowment activity by net asset class for the year ended December 31, 2024 is as follows:

International Equity Funds include investments in funds that are invested in domestic and international common stock. The unobservable inputs used to determine the fair value of the investments is based on quoted market prices for the underlying securities which comprise the net asset value of the collective fund. The funds provide full disclosure of the underlying holdings, whereby the Foundation is able to verify its account balances.

Large/Small Cap Equity Funds include investments in funds that are invested in domestic common stock. The unobservable inputs used to determine the fair value of the investments is based on quoted market prices for the underlying securities which comprise the net asset value of the collective fund. The funds provide full disclosure of the underlying holdings, whereby the Foundation is able to verify its account balances.

Global Bond Funds include investments in funds that are invested primarily in publicly traded debt obligations. The unobservable inputs used to determine the fair value of the investments is based on quoted market prices for the underlying securities which comprise the net asset value of the collective fund. The funds provide full disclosure of the underlying holdings, whereby the Foundation is able to verify its account balances.

Multi-Strategy Hedge Funds are invested primarily in a diversified portfolio of directly originated loan investments, distressed corporate and mortgage bonds and long/short credit. The unobservable inputs used to determine the fair value of the fund of hedge funds in this category has been estimated using the net asset value per share of the investments.

Private Equity Funds include investments in funds that are invested in venture capital, buy-outs, distressed securities, special situation funds, and direct investments in securities of companies. The unobservable inputs used to determine the fair value of the funds of private equity funds and direct investments has been estimated based on the capital account balances reported by the underlying partnerships subject to the capital fund of funds management review and judgment.

**NOTE 14 LIQUIDITY AND AVAILABILITY OF RESOURCES**

The following reflects The Foundation's financial assets available for expenditure within one year of the balance sheet date. The Foundation's funds consist of endowment and quasi-endowment funds. Income from endowments are restricted for specific purposes and, therefore, not available for general expenditure. Quasi-endowment amounts not available include amounts subject to certain conditions, including approval of the trustee holding each fund and the Foundation's board of managers.

Although the Foundation does not intend to spend from its board-designated endowments other than amounts appropriated for general expenditure as part of its annual budget approval, amounts could be made available if necessary.

**THE PHILADELPHIA FOUNDATION  
NOTES TO SCHEDULE OF CONSOLIDATED NET ASSETS  
DECEMBER 31, 2024**

As discussed in Note 1 to the consolidated financial statements, most contributions are subject to the Foundation's unilateral variance power and are recorded as net assets without donor restrictions. However, the Foundation's intent is to use these funds as a permanent endowment to meet community needs based on the interest of the donors.

**NOTE 1 FUNDS**

The schedule of net assets identifies the fund categories reflected in the gift instruments:

**Designated**

Donors may choose at the time the fund is established, one or more specific organizations to share the income from their funds.

**Field of Interest**

Donors may specify a broad area of charitable interest, such as arts and culture, human services or education and have the Foundation select specific grantee organizations.

**Undesignated**

Donors may establish general purpose funds that give the Foundation the greatest flexibility to meet the region's emerging and changing needs over time.

**Scholarship**

Donors may establish scholarship funds to benefit a certain type of student or a specific institution or to encourage study of a particular subject.

**Donor Advised**

Donors who wish to remain actively involved with their philanthropy may make grant recommendations to the board of managers, which must retain final responsibility for all distributions made by the Foundation.

**Administrative Endowment**

The administrative endowment reflects funds that have been board or donor designated to act as an endowment for the benefit of the Foundation. Funds are drawn down each year for Foundation operations using the Foundation's spending policy.

**For Administrative Endowment and Operations**

Funds available for the general operations of the Foundation.

**For Grantmaking**

Includes the funds available for distribution, including funds released from the endowment for distribution under the spending policy and nonendowed gifts and grants available for distribution.

**For Grant Endowments**

Includes all unrestricted funds currently invested with either TPF, Inc., or the trustee institutions including: Wells Fargo, Mellon, PNC, Glenmede Trust Company, Bryn Mawr Trust Company, and Pitcairn Trust Company.
